

# sub

**sub** is seeking senior architects based in Berlin, Germany.

We are looking for highly skilled and organised senior architects to join our studio. Candidates should be eager to explore innovative design solutions and comfortable in a fast-paced environment. We expect a keen eye for composition and detail as well as a deep understanding of materials. Candidates should be able to demonstrate a creative, pragmatic, and iterative design process.

For the senior architect position we expect the candidate to mentor junior architects, interpret client briefs, create project timelines and create and review drawing sets.

**sub**'s portfolio encompasses architecture, scenography, virtual environments and experience design. The studio has collaborated on the realisation of large scale installation and exhibition architecture with institutions such as Tate Modern (London), The Met (NYC), Palais de Tokyo (Paris), MMK (Frankfurt), The Art Institute of Chicago, and Castello di Rivoli (Turin).

Our commercial work includes worldwide luxury retail designs and show scenographies for Paris Fashion Week.

Please see an in depth article about our practice at this link:
